

IKP1208 / IKP1213

ROBUST | DIMENSIONALLY STABLE | DURABLE

Made from single-origin **HDPE reclaim material.**

Dimensionally stable from -30°C to +60°C.

Various **outer edge variants.**

Steel profiles, for a **load capacity of up to 1,250 kg** in high racking.

Particularly **robust** and **economical** for **high loading.**

Areas of application in the **non-food sector** or the **automotive industry.**
